

ATTENTION WARREN COUNTY CUSTOMERS

The Warren County Building and Electrical Department requires a permit for a car charger.

If it is for residential use, please submit one set of drawings and fill out the building application. If it is for commercial use, please submit three sets of drawings and fill out the building application.

Here is the link for the application

<https://www.co.warren.oh.us/BldgInsp/BuildingElectrical/Forms/BuildingApplication.pdf>

It currently takes 20 – 30 days to process a permit. There is no money upfront. You will pay when your permit is approved.
